INDEX 1918—VOLUME XI

We have subdivided the index of the contents of this volume into four parts: Miscellaneous, Index of Original Contributions, Index of Authors, and Index of Editorials.

MISCELLANEOUS

Asheville—The Convention City 657
Asheville, "Land of the Sky"—The Convention City 716
Correspondence:
Government's Need of Platinum 719
From France 596
International Surgical Society 334
Official Names of Licensed Drugs 596
Quinin Amblyopia 334
Typhoid Vaccination 539
Wanted: Women Anesthetists for the Army 719
Minutes of the Memphis Meeting (1917) of the Southern Medical Association 64
New Regulations for Local and Medical Advisory Boards for Examination of Drafted Men 256
Regulations for Local Boards in Examinations for the Next Draft 158
Report of the Business Manager of the Southern Medical Association 814
Section on Surgery of the Head — Authorized Information from the Office of the Surgeon-General of the Army 47

INDEX OF ORIGINAL CONTRIBUTIONS

A

Abscess, Unique Case of Prostatic: G. Frank Lyston, Chicago, Ill. 685
Acidosis, a Consideration of the Literature on: J. Ross Snyder and S. H. Welch, Birmingham, Ala. 217
Acidosis, Chronic: Etiology, Prophylaxis and Treatment: George C. Mizell, Atlanta, Ga. 578
Acidosis: Retrospect and Discussion: Thos. D. Parke, Birmingham, Ala. 721
Acne Vulgaris, the Roentgen Ray Treatment of: (Abstract) H. H. Hazen, Washington, D. C. 100
Adenoma of the Prostate, Large Multiple Intravesical: G. Frank Lydston, Chicago, Ill. 372
Analysis of the Blood as an Index to Treatment, the Chemical: James S. McLester. Birmingham, Ala. 14
Anemias, Blood Transfusion in the: (Abstract) M. L. Graves, Galveston, Tex. 148
Anemias, Oral Sepsis and the: M. L. Graves, Galveston, Tex. 484
Aneurism of the Axillary Artery: Report of a Case: Thos. H. Hanccok, Atlanta, Ga. 305
Ankylopoietica, Spondylitis Chronica: William Allan and J. W. Squires, Charlotte, N. C. 373
Appendicitis, Left-sided: (Abstract) Jere L. Crook, Jackson, Tenn. 311
Army, General Surgery in the: W. H. Moncrief, Washington, D. C. 45
Army, Tuberculosis Examination Methods in the: I. S. Kahn, Waco, Tex. 727
Arthritis, Oral Sepsis and: J. Heyward Gibbs, Columbia, S. C. 489
Artery, Aneurism of the Axillary: Report of a Case: Thos. H. Hancock, Atlanta, Ga. 305
Ascaris Lumbricoides, Intestinal Obstruction Due to the: M. D. Levy, Galveston, Tex. 734
Autoserotherapy: Experimental Work with Hydroceles: Report of Cases: E. P. Merritt, Atlanta, Ga. 747

B

Babinski Sign, the Explanation and Meaning of: (Abstract) Meyer Solomon, Chicago, Ill. 100
Bacillus Coli Communis Complicating Pregnancy, Labor, and the Puerperal State, Infection by the: Edward P. Davis, Philadelphia, Pa. 793
Bacteria, Some Differential Reactions of Colilike: (Abstract) Max Levine, Ames, Ia. 348
Baranay Method, Tests by the: John J. Shea, Memphis, Tenn. 152
Betulism, the Dangers of Poisoning from Vegetables Canned by the Cold-Pack Method: (Abstract) Ernest C. Dickson, San Francisco, Cal. 100
Bladder, Tumors of the Urinary: E. S. Judd and S. W. Harrington, Rochester, Minn. 129
Blood Chemical Methods in the Differential Diagnosis of Cardiac and Renal Disease, the Usefulness of: R. B. H. Gradwohl and Carl Powell, St. Louis, Mo. 335
Blood Transfusion in the Anemias: (Abstract) M. L. Graves, Galveston, Tex. 148
Blood Transfusion in Emergency Surgery—Sodium Citrate—Indirect Method: Edward T. Newell, Chattanooga, Tenn. 145
Blood Transfusion Simplified by the Use of Citrate Ointment: (Abstract) Henry Abelmann, Chicago, Ill. 798
Blood, as an Index to Treatment, the Chemical Analysis of the: James S. McLester, Birmingham, Ala. 14
Brain, Eighteen Years, a Piece of Steel in the: S. H. McLean, Jackson, Miss. 245
Bronchopneumonia in the Wake of the Present Influenza Epidemic, Confluent Suffocative: Frank A. Jones, Memphis, Tenn. 732

C

Cancer of the Penis: M. Y. Dabney, Birmingham, Ala. 443
Cancer of the Prostate, Seminal Vesicles and Bladder, Recent Progress in the Treatment of: Hugh H. Young, Baltimore, Md. 120
Carbohydrates in Infant Feeding, the Role of: O. H. Wilson, Nashville, Tenn. 177

Cardiac and Renal Disease, the Usefulness of Blood Chemical Methods in the Differential Diagnosis of: R. B. H. Gradwohl and Carl Powell, St. Louis, Mo. 335
Cardio-Vascular System, Oral Sepsis, and the: Alexander G. Brown, Richmond, Va... 601
Carminatives, a Practical Discussion of: George M. Niles, Atlanta, Ga..... 411
Cataract Operation, Safety in the: J. W. Jervey, Greenville, S. C..... 314
Cercomonas Diarrhea and Its Management: Sidney K. Simon, New Orleans, La..... 414
Chenopodium Treatment, Some Dangers of the: David A. Roth, Republica de Panama, Panama 733
Cholangitis and Cholecystitis, Some Unsettled Points in the Surgical Treatment of: John Darrington, Yazoo City, Miss..... 631
Cholecystitis and Cholangitis, Some Unsettled Points in the Surgical Treatment of: John Darrington, Yazoo City, Miss..... 631
Citrate Ointment, Blood Transfusion Simplified by the Use of: (Abtsract) Henry W. Abelmann, Chicago, Ill. 798
Classification and Treatment of the Acute Diarrheal Diseases in Infancy, The: John Lovett Morse, Boston, Mass..... 187
Classics, the Value of the, as a Part of the Studies Preparatory to Medicine: Lewellys F. Barker, Baltimore, Md..... 391
Clinical Observations on Mammary Neoplasms: (Abstract) J. G. Sherrill, Louisville, Ky. 148
Coli-like Bacteria, Some Differential Reaction of: (Abstract) Max Levine, Ames, Iowa 348
Community Work in Tennessee, Intensive: E. L. Bishop, Nashville, Tenn..... 738
Contagious Diseases, Important Considerations in the Diagnosis and Treatment of: Philip F. Barbour, Louisville, Ky..... 228
Corneal Transplant, Hemologous: (Abstract) Ancil Martin, Phoenix, Arizona..... 704
Cotton Belt Railway Company is Doing for the Prevention of Malaria, What the: H. H. Smiley, Texarkana, Ark..... 576
County Health Officer and County Organizer, the Different Phases of Work to be Done by Whole-Time: G. G. Altman, Helena, Ark. 675

D

Dental Foci and Diseases Related Thereto: Thomas P. Hinman, Atlanta, Ga..... 419
Diabetes, Weights and Measures in the Management of: (Abstract) Jas. H. Smith, Richmond, Va. 348
Diagnosis in Tuberculosis, Rales After Expiration and Cough as a Means to Early: B. L. Taliaferro, Catawba Sanatorium, Va. 347
Diagnosis and Treatment of Contagious Diseases, Important Considerations in the: Philip F. Barbour, Louisville, Ky..... 228
Diagnosis and Treatment of Oral Infections: Thomas P. Hinman, Atlanta, Ga..... 487
Diarrhea, Summer: (Abstract) V. E. Lawrence, Ottawa, Kansas 100
Diarrheal Diseases in Infancy, the Classification and Treatment of the Acute: John Lovett Morse, Boston, Mass..... 187
Digestive Apparatus, Oral Sepsis and the: Lewellys F. Barker, Baltimore, Md..... 481
Digestive Disturbances, Some Manifestations of Malaria Relative to: J. E. Knighton, Shreveport, La. 98

E

Ear Noises, Objective: Report of a Case: Arthur I. Weil, New Orleans, La..... 526
Ectopic Pregnancy, Tetanus Following Laparotomy for, Treatment by Subarachnoid Injections of Magnesium Sulphate and Anti-Tetanic Serum—Recovery: DeWitt B. Casler, Baltimore, Md..... 512
Eczema in Infancy: F. P. Gengenbach, Denver, Colo. 196
Educational Preparation for the Study of Medicine, the Preliminary: W. F. R. Phillips, Charleston, S. C..... 322
Empyema, Thoracic: Martin D. Delaney, Alexandria, Va. 518
Enteroptosis and Subnutrition, Their Relationship and Treatment: (Abstract) Max Einhorn, New York, N. Y..... 495
Extra-Uterine Placental Growth: (Abstract) A. J. Mooney, Statesboro, Ga..... 311
Eyeball, The Magnet Extraction of Foreign Bodies from the: (Abtsract) Frank Allport, Chicago, Ill. 809
Eyes of Railway Operatives, Injuries to: Their Prevention and Treatment: Geo. H. Price, Nashville, Tenn. 799

F

First Aid Work, What a Local Surgeon Can Do in: J. A. Mitchell, Tullahoma, Tenn... 688
Foreign Bodies, the Author's Device for the Localization of, by Means of the X-Rays: (Abstract) A. Granger, New Orleans, La. 495
Foreign Bodies. The Removal of, from the Eye-ball and Orbital Cavity: Dunbar Roy, Atlanta, Ga. 386
Foreign Bodies from the Eyeball, The Magnet Extraction of: (Abstract) Frank Allport, Chicago, Ill. 809
Fractures be Radiographed, When Shall?: (Abstract) Chas. D. Cleghorn, Macon, Ga. 377
Fractures, Organization of a Hospital for the Treatment of: John B. Walker and Claude C. Cody, Washington, D. C..... 242
Fracture of the Hyoid Bone: John T. Crebbin, New Orleans, La..... 642
Fracture of the Skull, an Interesting Case of: G. S. Wright, Cowan, Tenn..... 520
Fulguration and Roentgenotherapy in Malignancy: John H. Edmondson, Birmingham, Ala. 665

G

Gall-Bladder, Indications for the Removal of the: W. C. Gewin, Birmingham, Ala..... 635
Gall-Bladder, Observations on Surgery of the: John R. Wathen, Louisville, Ky..... 633

Gastro-intestinal Tract, Congenital Constrictions of: (Abstract) O. F. Bradford, Columbia, Mo. ... 521
Gas Pains, the Cause and Prevention of Postoperative: (Abstract) Walter C. Alvarez, San Francisco, Cal. ... 755
Gastroptosis Clinically Cured by Rosving's Operation, Extreme: J. T. Rogers, Savannah, Ga. ... 745
Gas Bacillus Infection with Recovery Without Loss of Limb, a Case of: (Abstract) Horace Reed, Oklahoma City, Okla. ... 377
Gastro-Intestinal Case Illustrating Persistent Psychic and Neurotic Elements, A: Marvin H. Smith, Jacksonville, Fla. ... 288
Geologic Surveys and the Eradication of Malaria: Thomas Wayland Vaughan, Washington, D. C. ... 569
Goitre Operations, Factors for Safety and Ultimate Results in: (Abstract) Caryl Potter, St. Joseph, Mo. ... 377
Goitre, Clinical Data on: Edward G. Jones, Atlanta, Ga. ... 682
Gynecology, Some of the Common Errors in: F. Webb Griffith, Asheville, N. C. ... 40

H

Hay-fever or Pollinosis: Its Specific Treatment: Sydney R. Miller and Walter A. Baetjer, Baltimore, Md. ... 341
Health Education in Rural Districts: L. A. Riser, Columbia, S. C. ... 678
Health Officer and County Organizer, the Different Phases of Work to be Done by Whole-Time County: G. G. Altman, Helena, Ark. ... 675
Health Problem, Rural Tuberculosis as a: Henry Boswell, Magee, Miss. ... 422
Health Laws of the Jews, Some Ancient: (Abstract) Joseph H. Marcus, Atlantic City, N. J. ... 119
Health Insurance at the University of California, Students': (Abstract) Robert T. Legge, Berkeley, Cal. ... 100
Hemorrhage Following Submucous Resection Six Days After Operation, Secondary: D. C. Montgomery, Greenville, Miss. ... 48
Hemorrhage in a Hemophiliac, Cerebral: W. W. Harper, Selma, Ala. ... 232
Hemorrhage, Some Clinical Observations on Traumatic Intra-Ocular, with Special Reference to Prognosis and Treatment: W. G. Harrison, Birmingham, Ala. ... 696
Hemorrhage, Use of Radium in Non-Malignant Uterine: C. Jeff Miller and E. L. King, New Orleans, La. ... 449
Hernia, Inguinal, the Importance of Recognizing the Weakness or the Obliteration of the Conjoined Tendon in Operations for: Joseph Colt Bloodgood, Baltimore, Md. ... 366
Hernia, Improved Technic for the Repair of Inguinal: Marshall J. Payne, Staunton, Va. 243
Health Organization, The County: A. T. McCormack, Bowling Green, Ky. ... 29
Hospital for the Treatment of Fractures, Organization of a: John B. Walker and Claude C. Cody, Washington, D. C. ... 242
Hypoplastic Conditions of the Uterus, Infantilism and Other: (Abstract) Emil Novak, Baltimore, Md. ... 798
Hyoid Bone, Fracture of the: John T. Crebbin, New Orleans, La. ... 642
Hysterectomy, Complete vs. Incomplete: (Abstract) E. L. King, New Orleans, La. ... 148

I

Infantilism and Other Hyoplastic Conditions of the Uterus: (Abstract) Emil Novak, Baltimore, Md. ... 798
Infection After Elliot Operation Not Always Fatal, Late: M. Feingold, New Orleans, La. ... 150
Infection, the Mucosa of the Rectum and Sigmoid Colon as a Focus of: (Abstract) Horace W. Soper, St. Louis, Mo. ... 148
Influenza Epidemic, Confluent Suffocative Bronchopneumonia in the Wake of the Present: Frank A. Jones, Memphis, Tenn. 732
Influenzal Pneumonia in Pregnancy: F. A. Lupton, Birmingham, Ala. ... 754
Insect Host, Some Results of Malaria Control by Control of the, Public Health and Economic Aspects: R. C. Derivaux, Washington, D. C. ... 556
Intestinal Obstruction Due to the Ascaris Lumbricoides: M. D. Levy, Galveston, Tex. 734
Intestinal Obstruction, a Case of, with Removal of About One Hundred and Twenty Large Round Worms: (Abstract) S. H. McLean, Jackson, Miss. ... 695
Iritis, Surgery as a Therapeutic Agency in Acute and Recurrent: M. M. Cullom, Nashville, Tenn. ... 522
Intra-Ocular Hemorrhage, Some Clinical Observations on Traumatic, with Special Reference to Prognosis and Treatment: W. G. Harrison, Birmingham, Ala. ... 696

J

Jews, Some Ancient Health Laws of the: (Abstract) Joseph H. Marcus, Atlantic City, N. J. ... 119
Juvenile Delinquents Based Upon Physical and Clinical Examinations of Children in the Reformatories of the City of New Orleans, Physical Status of: Elizabeth Bass and Maud Loeber, New Orleans, La. ... 349

K

Kromayer Lamp, Treatment of Skin Diseases with the: Phototherapy: C. Augustus Simpson, Washington, D. C. ... 669

L

Labor at Term, The Induction of: (Abstract) Charles B. Reed, Chicago, Ill. ... 755
Labor, Some Causes of Difficult, and Their Treatment: (Abstract) T. W. Wells, Oklahoma City, Okla. ... 377
Lachrymal Gland, A Mixed Tumor of the: Adolph O. Pfingst, Louisville, Ky. ... 587

Laryngeal Tuberculosis, The Diagnosis of: (Abstract) Frederick J. Walter, Daytona, Fla. 809
Leucocytic Count as Determined by the Study of 114 Adults, The Normal Differential: (Abstract) M. D. Levy, Galveston, Tex... 234
Liver, Treatment of Tropical Abscess of the: John S. Helms, Tampa, Fla..... 582
Locomotor Ataxia, The Treatment of, and General Paresis by Intraspinous Injections of Bichlorid of Mercury: R. B. McBride, Dallas, Tex. 407
Lumbo-Sacral Backache in Women, Interpretation of: Edw. H. Richardson, Baltimore, Md. 139

M

Malaria Relative to Digestive Disturbances, Some Manifestations of: J. E. Knighton, Shreveport, La. 98
Malaria in Infants: Morgan Smith, Little Rock, Ark. 213
Malaria, The Treatment of: (Abstract) William H. Deaderick, Hot Springs, Ark..... 735
Malaria, Mortality from, Among Wage Earners, with Some Observations on the Malaria Mortality Experience of the General Population: Louis I. Dublin, New York, N. Y. 736
Malaria from a Public Health and Economic Standpoint, The Importance of: W. S. Leathers, University, Miss. 541
Malaria Problems in Peace and War, Modern Aspects of: Frederick L. Hoffman, Newark, N. J. 545
Malaria Control in the Environment of the Cantonments: J. A. LePrince, Washington, D. C. 551
Malaria Control by Control of the Insect Host, Some Results of: Public Health and Economic Aspects: R. C. Derivaux, Washington, D. C. 556
Malaria on Railroad Operation, The Bearing of: H. W. VanHovenberg, Tyler, Tex. 562
Malaria, Geologic Surveys and the Eradications of: Thomas Wayland Vaughan, Washington, D. C. 569
Malaria Campaign, Our: W. C. Johnson, Memphis, Tenn. 572
Malaria Problem, Memphis': Bolton Smith, Memphis, Tenn. 574
Malaria, What the Cotton Belt Railway Company is Doing for the Prevention of: H. H. Smiley, Texarkana, Ark..... 576
Malaria Question and the Farmer, the: A. J. Ochsner, Chicago, Ill..... 661
Malaria: (Abstract) C. C. Bass, New Orleans, La. 674
Mastoiditis, Some Rare Complications of Acute, with Unusual Symptoms: W. T. Patton, New Orleans, La..... 381
Mastoiditis Complicated by Unsuspected Lateral Sinus Thrombosis: Robert Walter Bledsoe, Covington, Ky. 643
Mediastinum, New Growths of the, with Special Reference to Their Treatment with Radium: (Abstract) Curtis F. Burnam, Baltimore, Md. 245
Medical Officers' Training Camp, The Advantages of a Tour of Duty in the: Inman W. Cooper, Camp Shelby, Miss..... 705
Medical Preparedness in the Great Drive for Democracy: J. C. Bloodgood, Baltimore, Md. 51
Medical Teaching, Efficiency in: W. D. Cutter, Augusta, Ga..... 706
Medical Thought, The Natural Starting Point of All Rational: J. C. Johnson, Atlanta, Ga. 94
Medical Inspection of Schools in North Carolina: George M. Cooper, Raleigh, N. C... 112
Medical Supervision of Employees in Large Industries: J. A. Gentry, Atlanta, Ga..... 115
Medical Colleges, The Country's Obligation to Support Accepted: E. H. Carey, Dallas, Tex. 319
Medicine, The Preliminary Educational Preparation for the Study of: W. F. R. Phillips, Charleston, S. C..... 322
Memphis' Malaria Problem: Bolton Smith, Memphis, Tenn. 574
Meningococcus Meningitis, Experimental: (Abstract) Chas. R. Austrian, Baltimore, Md. 674
Milk Idiosyncrasy: W. W. Harper, Selma, Ala. 232
Military Problem, Civilian Influence on a: Venereal Disease: Paul B. Johnson, Washington, D. C. 290
Mitral Stenosis and Left Recurrent Paralysis: (Abstract) M. P. Schuster, El Paso, Tex. 674
Mucosa of the Rectum and Sigmoid Colon as a Focus of Infection, The: (Abstract) Horace W. Soper, St. Louis, Mo..... 148

N

Nasal Cavities, The Systemic and Local Treatment of Acute Infection of the Accessory, and the Relation of Pathological Conditions in Oto-Rhinology to General Medicine and Surgery: J. A. Stucky, Lexington, Ky. 757
Nasal Accessory Sinuses with Lantern Slides, Diseases of the: John W. Murphy, Cincinnati, O. 756
Nasal (Spheno-palatine) Ganglion Neurosis, Five Unusual Cases of: Greenfield Sluder. St. Louis, Mo. 312
Neoplasms, Clinical Observations on Mammary: (Abstract) J. G. Sherrill, Louisville, Ky. 148
Nervous System, The Relation of Oral Sepsis to the: E. Bates Block, Atlanta, Ga..... 606
Neurology, On the Teaching of Clinical: Tom A. Williams, Washington, D. C..... 17
North Carolina Plan of County Health Work, The: B. E. Washburn, Raleigh, N. C..... 425
Normal College as a Factor in the Dissemination of Public Health Knowledge in the South, The: May Farinholt Jones, Hattiesburg, Miss. 624

O

Ophthalmology and Otology, Due to the War, Changed Conditions in the Practice of: T. W. Moore, Huntington, W. Va..... 48

Ophthalmology, the Use of Non-Specific Protein in: (Abstract) T. J. Dimitry, New Orleans, La. 156
Ophthalmic Practice, Defects in Education for: (Abstract) Edward Jackson, Denver, Colo. 704
Oral Sepsis, to the Nervous System, The Relation of: E. Bates Block, Atlanta, Ga..... 606
Oral Sepsis and the Cardio-Vascular System: Alexander G. Brown, Richmond, Va... 601
Oral Sepsis and Arthritis: J. Heyward Gibbs, Columbia, S. C. 489
Oral Infections, Diagnosis and Treatment of: Thomas P. Hinman, Atlanta, Ga..... 487
Oral Sepsis and the Anemias: M. L. Graves, Galveston, Tex. 484
Oral Sepsis and the Digestive Apparatus: Lewellys F. Barker, Baltimore, Md..... 481
Otitis Media, The Importance of Early Treatment of Chronic Hypertrophic: Report of a Case: (Abstract) L. Herbert Lanier, Texarkana, Tex. 255
Ovarian and Placental Extracts, Preparation and Standardization of: (Abstract) W. H. Morley, Detroit, Mich..... 311

P

Paresis, General, The Treatment of, and Locomotor Ataxia by Intraspinous Injections of Bichlorid of Mercury: R. B. McBride, Dallas, Tex. 407
Parathyroid System, The Relation of the, to the Female Genital Apparatus: (Abstract) Eugene H. Pool, New York, N. Y..... 377
Pediatric Practice, Discussion of the Practical Value of a Routine Examination of the Blood, Spinal Fluid and Urine in: W. A. Mulherin, Augusta, Ga..... 202
Pellagra Commission of the New York Post-Graduate Hospital and Medical School, Third Report of the Robert M. Thompson: J. F. Siler, M.C., U.S.A.; P. E. Garrison, M.C., U.S.N.; and W. J. MacNeal, New York, N. Y. 786
Pelvic Infections, Non-Surgical Treatment of: (Abstract) E. E. Montgomery, Philadelphia, Pa. 377
Pelvic Infections, Surgical Treatment of, and When it Should Be Employed: (Abstract) E. E. Montgomery, Philadelphia, Pa..... 377
Penis, Scrotal Skin Grafts in Severe Injuries of the: S. R. Benedict, Birmingham, Ala. 438
Penis, Cancer of: M. Y. Dabney, Birmingham, Ala. 443
Peptic Ulcer, Certain Clinical Aspects of, with Special Reference to Roentgen-Ray Diagnosis as Observed in a Study of 743 Cases: (Abstract) F. H. Baetjer and Julius Friedenwald, Baltimore, Md..... 674
Peritonitis, The Treatment of Acute Diffuse: H. A. Gamble, Greenville, Miss..... 686
Pessary, The Stem: An Instrument of Value in Certain Selected Gynecological Conditions: Charles E. Dowman, Atlanta, Ga... 742
Physicians and Healers: George Dock, St. Louis, Mo. 1
Pituitary Gland, Relation of, to the Female Generative Organs: (Abstract) Emil Goetsch, Baltimore, Md. 311
Placental and Ovarian Extracts, Preparation and Standardization of: (Abstract) W. H. Morley, Detroit, Mich. 311
Placental Growth, Extra-Uterine: (Abstract) A. J. Mooney, Statesboro, Ga..... 311
Pleurisy in Early Tuberculosis, The Incidence and Importance of: P. P. McCain, Sanatorium, N. C. 663
Pneumococcus Infection of the Eye, Ear, Nose and Throat: L. D. Brose, Evansville, Ind. 701
Pneumonia at Camp Greene: A Few Considerations from a Clinical Standpoint: Herman Elwyn, Camp Greene, N. C..... 780
Poisoning from Vegetables Canned by the Cold-Pack Method, The Danger of: Botulism: (Abstract) Ernest C. Dickson, San Francisco, Cal. 100
Pollinosis or Hay-fever: Its Specific Treatment: Sydney R. Miller and Walter A. Baetjer, Baltimore, Md. 341
Poliomyelitis in Virginia, The Recent Outbreak of: W. A. Brumfield, Richmond, Va. 235
Pregnancy, Influenzal Pneumonia in: F. A. Lupton, Birmingham, Ala. 754
Pregnancies, Double, Recurrent and Bilateral Tubal: An Analysis of 89 Cases Reported in the Literature and Three Unpublished Personal Cases: Aime Paul Heineck, Chicago, Ill. 749
Pregnancy, Bilateral Tubal (Simultaneous): Case Report: M. F. Bledsoe, Port Arthur, Tex. 307
Pregnancy, Bleeding in: (Abstract) Raymond S. Titus, Boston, Mass..... 245
Pregnancy, Labor, and the Puerperal State, Infection by the Bacillus Coli Communis Complicating: Edward P. Davis, Philadelphia, Pa. 793
Problems Before Us, Some of the: William Weston, Columbia, S. C..... 173
Protein and Fat, Present Attitude Toward: Oliver W. Hill, Knoxville, Tenn..... 182
Protein in Ophthalmology, the Use of Non-Specific: (Abstract) T. J. Dimitry, New Orleans, La. 156
Prostatic Abscess, Unique Case of: G. Frank Lydston, Chicago, Ill. 685
Prostate, Large Multiple Intravesical Adenoma of the: G. Frank Lydston, Chicago, Ill. 372
Postural Treatment, The Control of Toxemia Due to Pulmonary Cavitation and Pus Retention, by: (Abstract) C. A. Robertson, Ridgetop, Tenn. 20
Posture, Some Advantages of the Sitting in Nose and Throat Operations Under Ether: Frank Dyer Sanger, Baltimore, Md..... 459
Public Health Nurse in the Solution of the Tuberculosis Problem, The Relative Value of: W. L. Heizer, Frankfort, Ky..... 103
Public Health Knowledge in the South, The Normal College as a Factor in the Dissemination of: May Farinholt Jones, Hattiesburg, Miss. 624

Public Health and Economic Aspects: Some Results of Malaria Control by Control of the Insect Host: R. C. Derivaux, Washington, D. C. ... 556
Public Health, The Importance of Malaria from a, and Economic Standpoint: W. S. Leathers, University, Miss. ... 541
Public Health, Popularizing: C. E. Terry and F. Schneider, Jr., New York, N. Y. ... 498
Public Health Movement, The Sociological Factor in the: James F. Faulkner, Atlanta, Ga. ... 496
Public Health in War Times: Ennion G. Williams, Richmond, Va. ... 21
Public Health, What is the Relation of Wages to?: Arthur E. Holder, Washington, D. C. 787
Puerperal State, Infection by the Bacillus Coli Communis Complicating Pregnancy, Labor, and the: Edward P. Davis, Philadelphia, Pa. ... 793
Pulp Stones and Their Relation to Tic Douloureux: (Abstract) F. W. Brownfield, Chicago, Ill. ... 377
Pyloric Stenosis: W. W. Harper, Selma, Ala. 232
Pyloric Stenosis with Remarks: Report of a Case of Congenital: W. D. Haggard, Nashville, Tenn. ... 506

R

Radium, New Growths of the Mediastinum, with Special Reference to Their Treatment with: (Abstract) Curtis F. Burnam, Baltimore, Md. ... 245
Radium in Non-Malignant Uterine Hemorrhage, Use of: Jeff Miller and E. L. King, New Orleans, La. ... 449
Railroad, The Advantages of a Sanitarian to a: Albert E. Campbell, Chicago, Ill. ... 355
Railway Medicine and Surgery, the Future of: Walter E. Vest, Huntington, W. Va. ... 796
Railway Operatives, Injuries to Eyes of: Their Prevention and Treatment: Geo. H. Price, Nashville, Tenn. ... 799
Railway Surgeon and His Relation to the Claims Department, The Attitude of the: Joseph M. Burke, Petersburg, Va. ... 42
Railroad Operation, The Bearing of Malaria on: H. W. VanHovenberg, Tyler, Tex. ... 562
Refraction, The Value of the Ophthalmoscope, the Retinoscope and the Author's Pupillary Disc in: Albert B. Mason, Waycross, Ga. ... 466
Renal Disease, The Usefulness of Blood Chemical Methods in the Differential Diagnosis of Cardiac and: R. B. H. Gradwohl and Carl Powell, St. Louis, Mo. ... 335
Retinochoroiditis Juxtapapillaris (Jensen's Retinitis): H. H. Martin, Savannah, Ga. ... 455
Rheumatic Fever in Childhood, Some Observations on: James D. Love, Jacksonville, Fla. ... 224
Rheumatic Fever, The Treatment of Acute: (Abstract) J. Curtis Lyster, St. Louis, Mo. 348
"Rheumatism," An Analysis of 100 Cases of: William H. Deaderick, Hot Springs, Ark. 777
Roentgen Ray Treatment of Acne Vulgaris, The: (Abstract) H. H. Hazen, Washington, D. C. ... 100
Roentgenotherapy and Fulguration in Malignancy: John H. Edmondson, Birmingham, Ala. ... 665
Rosving's Operation, Extreme Gastroptosis Clinically Cured by: J. T. Rogers, Savannah, Ga. ... 745

S

Serums and Vaccines, Distribution of, by the State: C. A. Shore, Raleigh, N. C. ... 296
Senior Student, The: Stewart R. Roberts, Atlanta, Ga. ... 395
Shock, Treatment of, With or Without Hemorrhage: T. D. Frizzell, Quanah, Tex. ... 694
Sinuses and the Throat, Malignant Diseases of: Review of Cases Treated by Radium and Roentgen Rays: (Abstract) Henry K. Pancoast, Philadelphia, Pa. ... 533
Skin Diseases, Treatment of, with the Kromayer Lamp: Phototherapy: C. Augustus Simpson, Washington, D. C. ... 669
Sociological Factor in the Public Health Movement, The: James P. Faulkner, Atlanta, Ga. ... 496
Sodium Citrate—Blood Transfusion in Emergency Surgery—Indirect Method: Edward T. Newell, Chattanooga, Tenn. ... 145
Soil Pollution Problem, The: (Abstract) Victor G. Heiser, New York, N. Y. ... 119
Spondylitis Chronica Ankylopoietica: William Allan and J. W. Squires, Charlotte, N. C. ... 373
Sterility, Surgical Aspects of Male: (Abstract) Abr. L. Wolbarst, New York, N. Y. 311
Students' Health Insurance at the University of California: (Abstract) Robert T. Legge, Berkeley, Cal. ... 100
Strabismus or Squint; Its Treatment by Glasses: (Abstract) J. J. Pattee, Pueblo, Colo. ... 156
Subnutrition and Enteroptosis: Their Relationship and Treatment: (Abstract) Max Einhorn, New York, N. Y. ... 495
Surgeon, How the Industrial Can Best Cooperate with the Government During the War: Joseph Colt Bloodgood, Baltimore, Md. ... 453
Surgery in the Army, General: W. H. Moncrief, Washington, D. C. ... 45
Surgery, Blood Transfusion in Emergency—Sodium Citrate—Indirect Method: Edward T. Newell, Chattanooga, Tenn. ... 145
Surgery, Transplantation of Fat, Fascia and Living Tissue in: a Report of Experiences in Various Conditions: (Abstract) Allen B. Kanavel, Chicago, Ill. ... 148
Surgery of Cystocele, Rectocele and Procedentia Uteri, The: (Abstract) A. L. Blesh, Oklahoma City, Okla. ... 148
Surgery, Remarks on Kidney: John R. Caulk, St. Louis, Mo. ... 299
Surgery, The Role of Syphilis in: George Gellhorn, St. Louis, Mo. ... 369
Surgery as a Therapeutic Agency in Acute and Recurrent Iritis: M. M. Cullom, Nashville, Tenn. ... 522
Surgery of the Gall-Bladder, Observations on: John R. Wathen, Louisville, Ky. ... 633

Surgery, Traumatic Brain: John Wesley Long, Greensboro, N. C. 31
Surgical Aspects of Male Sterility: (Abstract) Abr. L. Wolbarst, New York, N. Y. 311
Surgical Work at a Casualty Clearing Station: T. H. Goodwin, London 363
Surgical Treatment of Pelvic Infections and When it Should Be Employed: (Abstract) E. E. Montgomery, Philadelphia, Pa. 377
Syphilis, Parasitology and Serology of: Albert Keidel, Baltimore, Md. 267
Syphilis of the Lung: J. A. Witherspoon, Nashville, Tenn. 274
Syphilis of the Heart and Aorta: Bryce W. Fontaine, Memphis, Tenn. 278
Syphilis of the Stomach and Intestines: Sidney K. Simon, New Orleans, La. 280
Syphilis in Surgery, The Role of: George Gellhorn, St. Louis, Mo. 369
Syphilis in and About Joints, Latent Manifestations of: Edward S. Hatch, New Orleans, La. 431

T

Teaching of Clinical Neurology, On the: Tom A. Williams, Washington, D. C. 17
Technic for the Repair for Inguinal Hernia, Improved: Marshall J. Payne, Staunton, Va. 243
Tennessee, Intensive Community Work in: E. L. Bishop, Nashville, Tenn. 738
Tests by the Baranay Method: John J. Shea, Memphis, Tenn. 152
Tetanus Following Laparotomy for Ectopic Pregnancy, Treatment by Subarachnoid Injections of Magnesium Sulphate and Anti-Tetanic Serum — Recovery: DeWitt B. Casler, Baltimore, Md. 512
Teeth in the Production of Symptoms Referable to the Ears, Nose and Throat, The Role of Abnormal: W. G. Harrison, Birmingham, Ala. 246
Thermophore, The Treatment of Pneumococcus Ulcer of the Cornea with the (Method of Dr. W. E. Shahan): John Green, Jr., St. Louis, Mo. 251
Throat and Sinuses, Malignant Diseases of: Review of Cases Treated by Radium and Roentgen Rays: (Abstract) Henry K. Pancoast, Philadelphia, Pa. 533
Thyroid Deficiency, The Relation of Chronic Infection to: Harvey G. Beck, Baltimore, Md. 492
Thymus, the Adult, and Its Two Types of Dysfunction: (Abstract) George Howard Hoxie, Kansas City, Mo. 348
Thyroid Function, A Simple Therapeutic Test of: (Abstract) Henry R. Harrower, Los Angeles, Cal. 735
Tic Douloureux, Pulp Stones and Their Relation to: (Abstract) F. W. Brownfield, Chicago, Ill. 377
Tonsil Guillotine, A New: Greenfield Sluder, St. Louis, Mo. 380
Tonsillar Infections as a Source of Systemic Disease: James Joseph King, New York, N. Y. 763
Tonsils, Facts and Fancies About: (Abstract) Henry L. Swain, New Haven, Conn. 769
Tonsil Surgery as Revealed by an Examination of Nearly 1,500 School Children Who Have Been Operated Upon, The Results of: E. L. Roberts, Nashville, Tenn. 529
Toxemia Due to Pulmonary Cavitation and Pus Retention by Postural Treatment, The Control of: (Abstract) C. A. Robertson, Ridgetop, Tenn. 20
Transplantation of Fat, Fascia and Living Tissue in Surgery; a Report of Experiences in Various Conditions: (Abstract) Allen B. Kanavel, Chicago, Ill. 148
Treatment by Glasses, Strabismus or Squint: (Abstract) J. J. Pattee, Pueblo, Colo. 156
Treatment of the Acute Diarrheal Diseases in Infancy, The Classification and: John Lovett Morse, Boston, Mass. 187
Treatment of Contagious Diseases, Important Considerations in the Diagnosis and: Philip F. Barbour, Louisville, Ky. 228
Treatment of Pneumococcus Ulcer of the Cornea with the Thermophore, The (Method of Dr. W. E. Shahan): John Green, Jr., St. Louis, Mo. 251
Treatment of Locomotor Ataxia and General Paresis by Intraspinous Injections of Bichlorid of Mercury, The: R. B. McBride, Dallas, Tex. 407
Treatment of Oral Infections, Diagnosis and: Thomas P. Hinman, Atlanta, Ga. 487
Treatment of Cholangitis and Cholecystitis, Some Unsettled Points in the Surgical: John Darrington, Yazoo City, Miss. 631
Trichocephalus Dispar: S. B. Strong, Preston, Cuba 345
Tropical Abscess of the Liver, Treatment of: John S. Helms, Tampa, Fla. 582
Tuberculin Therapy, a Consideration of the Present Outlook on: Paul H. Ringer, Asheville, N. C. 83
Tuberculosis, The War in Its Effects Upon the Development of: Chas. L. Minor, Asheville, N. C. 25
Tuberculosis Problem, The Relative Value of the Public Health Nurse in the Solution of the: W. L. Heizer, Frankfort, Ky. 103
Tuberculosis, What the American Soldier Now Fighting in France Should Know About: (Abstract) S. Adolphus Knopf, New York, N. Y. 100
Tuberculosis of the Retinal Vessels with Recurring Hemorrhages and Proliferating Retinitis: (Abstract) Frank B. Spencer, Boulder, Colo. 156
Tuberculosis, Rales After Expiration and Cough as a Means to Early Diagnosis in: B. L. Taliaferro, Catawba Sanatorium, Va. 347
Tuberculosis as a Health Problem, Rural: Henry Boswell, Magee, Miss. 422
Tuberculosis Examination Methods in the Army: I. S. Kahn, Waco, Tex. 727
Tuberculosis, The Diagnosis of Laryngeal: (Abstract) Frederick J. Walter, Daytona, Fla. 809
Tumors of the Urinary Bladder: E. S. Judd and S. W. Harrington, Rochester, Minn. 129

Tumor, A Mixed, of the Lachrymal Gland: Adolph O. Pfingst, Louisville, Ky. 587
Typhoid Vaccine, in Civil as Well as Military Life, The Value of Triple: Randolph Lyons, New Orleans, La. 89

U

Ulcer of the Cornea with the Thermophore, The Treatment of Pneumococcus (Method of Dr. W. E. Shahan): John Green, Jr., St. Louis, Mo. 251
Urine, Post-Operative Residual: R. M. Harbin, Rome, Ga. 519
Uterine Hemorrhage, Use of Radium in Non-Malignant: C. Jeff Miller and E. L. King, New Orleans, La. 449
Uterus, Infantilism and Other Hypoplastic Conditions of the: (Abstract) Emil Novak, Baltimore, Md. 798
Uterus, Some Observations on the Blood Supply of the, with Special Reference to the Operation of Vaginal Hysterectomy: (Abstract) Howard Crutcher, Tularosa, New Mexico 755

V

Vaccines and Serums, Distribution of by the State: C. A. Shore, Raleigh, N. C. 296
Vaccine, The Value of Triple Typhoid in Civil as Well as Military Life: Randolph Lyons, New Orleans, La. 89
Vaccine Therapy, Fundamentals of: Estill D. Holland, Hot Springs, Ark. 87
Venereal Disease: Civilian Influence on a Military Problem: Paul B. Johnson, Washington, D. C. 290
Venereal Disease: A Vital Social Medical and Military Problem: Herbert Schoenrich, Baltimore, Md. 616

W

Wages to Public Health, What is the Relation of?: Arthur E. Holder, Washington, D. C. 787
War in Its Effects Upon the Development of Tuberculosis, The: Chas. L. Minor, Asheville, N. C. 25
War, How the Industrial Surgeon Can Best Co-operate with the Government During the: Joseph Colt Bloodgood, Baltimore, Md. 453
War Times, Public Health in: Ennion G. Williams, Richmond, Va. 21
Wassermann Reaction, Report of the Committee on Uniformity in the: William Litterer, Nashville, Tenn., and Charles Watterston, Birmingham, Ala. 263
Wassermann, The Four Plus: (Abstract) D. M. Kaplan, New York, N. Y. 100
Woody Phlegmon of the Neck (Reclus): Report of Two Cases: Thomas Chew Worthington, Baltimore, Md. 699

Southern Medical News

ALABAMA

State Health Officer Welch, Montgomery, is making a tour of the State, presenting to the county medical association the plans that are under consideration by the State Board of Health.

Dr. W. K. Sharp, U. S. Public Health Service, has recovered sufficiently from an injury received while horseback riding to resume his duties with the Service.

Dr. W. F. Jordan, Huntsville, is convalescent following an operation performed in one of the Birmingham hospitals.

The Madison County Medical Association held its regular monthly meeting in December, at which time resolutions of respect on the death of several of its members were drawn.

At the December meeting of the Jefferson County Medical Society, the following officers were elected for the ensuing year: President, Dr. C. W. Shropshire, Birmingham; Vice-President, Dr. Thos. W. Wright, Fairfield; Secretary-Treasurer, Dr. M. Y. Dabney, Birmingham; Censor, Dr. H. S. Ward.

Deaths

Dr. E. M. Sellers, Birmingham, age 44, died at his home during November, following an attack of pneumonia.

Dr. Sator Stewart, Clanton, M.C., U.S. Army, died from influenzal complications while stationed at Camp Hancock.

Dr. L. E. Reid, Birmingham, age 35, died at his home during October.

ARKANSAS

State Health Officer C. W. Garrison has received a report that there are a number of cases of smallpox in Yell County. Steps have been taken to control the contagion.

Surgeon-General Blue, U. S. Public Health Service, has appointed Dr. C. W. Garrison to take charge of the State health forces in the campaign to be waged against venereal diseases.

The members of the Nevada County Medical Society have agreed upon a standard set price for calls.

Dr. E. A. Baggett, Wombole, has removed to Dierks.

Dr. T. F. Alford, Murfreesboro, has recently been appointed the Health Officer for Pike County.

Dr. J. S. Coffman, Lavaca, has removed to Sallisaw, Okla.

Dr. John Smith, M.R.C., has been succeeded as counsellor of the Sixth District by Dr. J. H. Weaver, of Hope.

Deaths

Dr. D. L. Stevens, Forman, age 35, died at his home during October.

Dr. George Warren, Ozark, age 34, died at his home during October.

Dr. True Burgess, Russellville, age 31, died at his home during October.
